- For the Bureau's information, CG 6457-PC has established contact Chicago Division professing extreme disgust with GIANCANA plus a willingness to accept many instructions given to her by the Bureau that will ultamately cause GIANCANA's incarceration. CG 6457-PC is a former paramour of GIANCANA who advised she has recently come to the conclusion that GIANCANA ordered the execution of her former boy friend, one ANGELO FASEL. Informant advised GIANCANA of opinion he is father of her fourth child while in reality, this child was fathered by FASEL. Informant contemplates re-establishing contact with GIANCANA using fourth child's current illness as lever to obtain finances and other type help from GIANCANA. Claims prime objective is to learn if GIANCANA actually executioner of FASEL and while doing so. will make available to Chicago Division all information relative to activities, contacts and associates of GIANCANA.
- Investigation being conducted to determine possibilethMRA violation on Chicago top hoodlum EDDIE VOGEL in reference to several vending operations under his control. Every opportunity will be explored through review of books and records relating to this vending operation to connect VOGEL and VOGEL's enterprises consist of Apex Amusement GIANCANA. Service Corporation, Deluxe Cigarette and Vending Service Corporation and Ajax Juke Box Corporation. These company records recently reviewed by Internal Revenue Service in effort to build case against GUS ALEX, Chicago top hoodlum who is listed as an employee of two of these companies. VOGEL has commonly been referred to as the "Slot Machine King" of Cook County and his tax teturns reflect source of income from above three companies and other income from an individual proprietorship only described as Coin Operated Machines. Internal Revenue Service has requested records concerning this proprietorship to verify various reductions. VOGEL has refused access to these records and Internal Revenue Service intends to make several adjustments. It is believed that this individual proprietorship is probably source of money split with GIANCANA probably from slot machines and pin ball machines in State VOGEL has indicated that CG 6486-C, presence of
